

Get Involved with the Communications Department!

MassCPAs' communications team

keeps you informed on everything happening at the Society and in the accounting profession! We also help members get recognized for their knowledge and promote the value of CPAs and the work they do in the media.

Here are some ways you can get involved:

SumNews Magazine

- Submit an article on a relevant topic to be included in an upcoming issue.
- Get highlighted as a "Member Spotlight" or "Rising Star" — we're always looking for members to feature who have a special skill or hobby inside or outside of the office, a unique story to share or who is simply just a young professional who's on the path to success at your firm or company. To nominate a Member Spotlight, visit masscpas.org/memberspotlight. To nominate a Rising Star, visit masscpas.org/risingstar.
- Share information on new hires, promotions, firm/company news and events to be included in The Buzz.

Newsletters

Read our daily, weekly, monthly and quarterly newsletters to remain updated on the latest industry news and trends, as well as upcoming events, conferences, CPE opportunities, programs and more with MassCPAs.

Share Your Expertise

Join our Speakers/Writers Bureau to get alerted of upcoming opportunities to share your knowledge with the media. Our members have been featured in Accounting Today, AccountingWEB, CPA Practice Advisor, The Boston Globe, The Boston Herald, the Boston Business Journal, NECN, WGBH, NPR, their local newspaper and more!

Give Back to the Community

Volunteer at nonprofit organizations in Massachusetts. You'll gain valuable experience, grow your network and truly make a difference in your community. View our list of available volunteer opportunities at masscpas.org/volunteer.
